Re: Engineering Department Update

## OVERVIEW OF PAST MONTH:

### 1. Engineering and Capital Projects

- a. Capital Projects:
  - i. Please see the quarterly project update earlier in the Board Packet.
- b. Engineering and Design Studies
  - i. **Signal Hill Water Treatment Plant Design** scope of work is finalized with input across departments in the District along with Board Participation via Ian Schofield. This Scope of Work is attached to the Purchase Order earlier in the Board Packet for this year's effort at Signal Hill.
  - ii. **Data and Technology** efforts have been kicked off as part of our Asset Management effort in 2024. This process will help the District select the right partner and software moving forward to implement the Asset Management Program.

## FOCUS FOR NEXT MONTH:

1. Kick off the 2024 Signal Hill Water Treatment Plant design with Carollo.
2. Keep up with the inspections and administration of the many development driven projects across the District.
