Re: Engineering Department Update

OVERVIEW OF PAST MONTH:

1. Engineering and Capital Projects

a. Capital Projects:

- i. A 2025 Capital Project preview is included in the Board Packet for presentation and discussion.

2. Water Quality

- a. **Signal Hill Water Treatment Plant Design:** The District treatment consultant, Carollo, will present to the Board its alternatives evaluation and recommendation. In addition, scope and fee for the complete Signal Hill Water Treatment Plant design is finalized and included in this Board Packet to continue progress into 2025 targeting a 60% design by end of year.
- b. **PFAS Update:** Staff Engineer, Jessica DiCaprio will give an update to the Board on the latest lab results from ongoing PFAS testing in the District.

FOCUS FOR NEXT MONTH:

1. Organize and progress 2025 capital and design projects.
2. Focus on providing an updated cost estimate for Signal Hill improvements to the Finance team first quarter of 2025 to complete the WIFIA application.
